To Whom It May Concern:

TSCA's Directive & Declaration of Conformity for PFA's

The US Toxic Substances Control Act aims to identify and reduce the use of PFA's for the protection of human health and the environment through better and earlier identification of chemical substances.

Cortec Policy

It is Cortec's policy to conduct business in a manner consistent with sound environmental management practices and to comply with applicable environmental laws and regulations. Through the use of best management practices, improvements are continually made to conserve natural resources and to minimize the use of environmentally sensitive materials.

Cortec Precision Sheetmetal is committed to meeting the requirements of the TSCA Directive and has reviewed its corporate standards accordingly. This letter is to declare that, to the best of our knowledge, Cortec Precision does not import or use PFA's any of the the products listed in the Product List. Cortec is a metal fabricator and does not manufacture anything with PFA's or generate it as a byproduct.
